MEMBERSHIP, VOTING RIGHTS AND MEETINGS

SECTION 1 Membership in the Association shall be conferred upon all Owners in accordance with Article II, Section 2 – Voting Rights, provided as follows:

- A. It is intended that these By-Laws shall in no way limit or deprive any Owner or Member of the Association or prospective Member of his or her rights, privileges, or immunities as provided under the Constitutions of the United States and of New Jersey, and by written or common law.

- B. In the event that an Owner dies testate or intestate, leaving as heir(s) a person or persons or entity which do not qualify as a resident of the Association, these By-Laws shall in no way restrict ownership of said heirs provided however, that said heir or heirs or entities shall not occupy said Home until he or she meets the membership requirements of the Association, except for a surviving spouse or domestic partner. A surviving spouse or domestic partner may retain membership even though he/she is not age 55 or older. If a surviving spouse remarries or lives with a person under the age of fifty-five (55), that person is not eligible for membership in the Association until the age requirement is met.

This shall in no way preclude the right of the Owner to lease the Home or to grant occupancy as a resident to his Guest, provided however that in each instance, such Guest or Tenant must first meet the requirements of the Association.

The inability of any Owner to occupy the Home for whatsoever reason, shall not in any way serve to exempt the person of the obligation to pay the annual or special assessments. In the event a person or persons obtain title to a Home, said Owner shall not occupy that Home until he or she meets the requirements of the Association and receives a copy of the By-Laws and Rules and Regulations from the administrative office and acknowledges receipt of same in writing.

- C. The Owner(s) of a Home by acceptance of the deed conveying ownership accepts said instrument subject to the right of the Association, its successors and assigns to redeem any tax sale certificate or assignment thereof issued by the Township of Brick and to acquire by reason of such redemption any and all rights accruing thereby in conformity with provision N.J.S.A. 54:5-54 any conveyance or alienation by the grantee, his heirs, successors, administrator and assigns to the contrary notwithstanding.
- D. Membership in the Association shall lapse and terminate when any Member shall cease to be the Owner of record of the Home.

SECTION 2 **Voting Rights:**

- A. The Association has one (1) class of voting membership. Members are entitled to one (1) vote for each Home in which they hold the interest required for membership by Article II Section I herein. The age requirement for membership does not bar an underage person from ownership of a Home. The exercise of said Owner's voting rights shall be exclusively by the Owner of record who has the option of providing any Member, whether or not they are resident, with a proxy.
- B. When more than one (1) person holds such interest or interests in a Home, their vote shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to such Home. Where a Home has more than one (1) Owner and they are unable to agree on how to cast the vote they are entitled to, each Owner may cast individual votes, except that each will be entitled only to the fraction of a vote that is based upon the number of eligible Owners in the Home.
- C. Voting rights may be suspended in accordance with Article IX.

SECTION 3 **Voting:**

- A. Votes shall be cast by ballot either in person or by proxy or absentee ballot at a polling place.
- B. Except as otherwise provided herein, a majority vote of the votes cast at a polling place shall determine the course of action to be taken in the subject matter of the vote, provided that the quorum requirements of Article III are met.
- C. A majority of votes used in these By-Laws means that number of votes which exceeds fifty percent (50%) plus one (1) of all votes cast.

SECTION 4 **Absentee and Proxy Ballots:**

- A. A Member that resides outside of the Community will be mailed an absentee ballot. A Member that resides within the Community must either call management to request an absentee ballot be mailed to them or must obtain an absentee ballot at the administration office during normal business hours. Only one absentee ballot will be provided per Home and it must be requested by the owner of that Home.
- B. The candidate(s) or referendum choice will be clearly indicated on the absentee ballot and signed by the Member. It should be placed in the envelope provided by the Association, sealed, and returned to the administration office no later than one (1) business day prior to the election or referendum vote date.
- C. Proxy ballots will be provided for each individual vote, upon request, by the administration office to any Association Member in good standing, who for personal reasons wishes to have his/her vote cast by a proxy.
- D. Proxies and ballots by mail may be revoked at any time prior to the opening of the polls, and no proxy or ballot by mail shall be voted on after eleven (11) months from the date of its execution unless the proxy or ballot by mail provides for a longer period, which in no event can exceed three (3) years from the date of its execution.

SECTION 5 **Member in Good Standing:**

- A Member shall be presumed to be in good standing only if:
- 1. The Member shall have paid the applicable membership fee for each Home upon acquiring ownership.
 - 2. The Member is not in arrears on any monthly maintenance charges, any assessments, late fees, fines, penalties, and attorneys' fees and/or costs, if any, due and payable.
 - 3. The Member is not under suspension or restricted by the Association in the use or access to the Common Land or Facilities.

SECTION 6 **Rights of Members to Use and Enjoy the Common Land:**

Every Member in good standing shall have the right to use and enjoy the Common Land consistent with Association Rules and Regulations, e.g., hours of operation, which right shall extend to any Non-Owner Resident, Tenant or Occupant residing in the Home of the Member.

SECTION 7 **Capital Contribution:**

Upon acquisition of title to a Home within the Association, the purchaser/transferee shall pay a non-refundable and non-transferable contribution to the Association's working capital fund, at the time of closing, in an amount equal to nine (9) months of assessments. The one-time, non-refundable fee that is paid by each new Owner shall be called the Capital Contribution Fee. The Board shall have the right, by Resolution, to set and/or increase or decrease the Capital Contribution Fee to an amount not to exceed nine (9) times the amount of the most recent monthly common expense assessment.

Payment of the Capital Contribution Fee shall be a condition precedent to the exercise of any rights of membership in the Association. The contributions shall be treated as an assessment, and the Association may collect the contributions via any and all of the Association's rights and remedies with regard to unpaid assessments. Unpaid contributions shall be deemed a lien on the Home collectable in the same manner as any unpaid assessments attributable to the Home. Any rights and privileges of membership in the Association that require an Owner to be current with regard to his/her payment of assessments and/or other financial obligations to the Association shall be deemed to also require payment of the Capital Contribution Fee.

ARTICLE III
MEETINGS OF MEMBERS

SECTION 1 **Place of Meetings:**

All meetings of the Members of the Association shall be held at the Clubhouse or at such other place convenient to the Members as may be designated by the Board.

SECTION 2 **Notice of Meetings:**

- A. Written notice of all Association meetings shall be given to the members in a manner determined by the Board of Trustees. Such written notice shall set forth the purpose(s) of the meeting and state whether or not a vote will be taken.

Email notice shall be deemed sufficient to satisfy any provisions set forth in these By-Laws and Declaration which require notice by mail. All Home Owners shall provide the Association with a valid email address for the purpose of receiving all notices from the Association, except notices which must be given as otherwise required by law.

Home Owners must notify the Association of any change in their email address. Notice of a change in email address must be in writing and preferably delivered via email correspondence to the property manager or a member of the Board of Trustees. Home Owners are responsible for checking their junk mail, spam and all other folders in their email account for notices from the Association. Any notice sent electronically by the Association shall be deemed given immediately upon the sender hitting "send" or any other electronic command to transmit the notice to recipients. A Home Owner who certifies to the Association that he or she does not have an email address will be sent paper notices, which may be delivered via hand or regular first-class mail.

Any question subject to a vote of the Home Owners may be voted upon electronically or via “ballot by mail”, including but not limited to Trustee elections and votes to approve amendments to the Association’s governing documents. The Board of Trustees may determine the exact manner of electronic voting and/or voting via “ballot by mail.” In the event a Home Owner does not have access to means for electronic voting and notifies the Association, the Association shall provide a paper ballot and/or proxy for such Home Owner to vote.

- B. The written notice shall be given not less than 10 nor more than 60 days before the date of any meeting.
- C. When any issue is scheduled for a vote by the membership, the written material relative to the item or items to be voted on shall be distributed to the membership not less than seven (7) business days prior to the casting of ballots. Failure to provide the material within the allotted time shall be cause for postponement of the meeting or the casting of ballots.
- D. Waiver of notice may be made by a member in writing. Presence at the meeting shall be considered waiver of any formal notice to the member.

SECTION 3 **Quorum:**

At each meeting of the Members, one hundred (100) Members authorized to vote, present in person, by proxy or ballot by mail, shall constitute a quorum for the transaction of business except where otherwise provided by law.

In the absence of a quorum, the Members entitled to vote and present in person, by proxy or ballot by mail may, by majority vote, adjourn the meeting to a time not less than twenty-four (24) hours and not more than ten (10) business days from the time the original meeting was called.

If a quorum is not reached in such a ballot vote, then another ballot vote shall be held within ten (10) business days at which time the votes of one hundred and fifty (150) valid votes shall constitute a quorum.

If a quorum is not reached in such a ballot vote, then another ballot vote shall be held within ten (10) business days at which time the votes of one hundred (100) valid votes shall constitute a quorum.

SECTION 4 **Organization:**

At each Members' meeting, the President, or, in his/her absence, the First Vice President, or in the absence of both of them, the 2nd Vice President shall act as chairperson. In the absence of the Secretary, the chairperson shall appoint a person to act as Secretary of the meeting.

SECTION 5 **Voting:**

With respect to the election of Trustees or as otherwise required by the Declaration or any law, a quorum being present, a majority of votes present in person, by proxy, or ballot by mail shall be sufficient on those matters which are to be voted on by the Members. The election of Trustees

shall be by ballot. Unless determined to be advisable by a majority of the votes of the Members present at such meeting, the vote on any other question need not be by ballot.

SECTION 6 **Judges:**

If a vote by ballot shall be taken on any question at any meeting of the Members, the chairperson of such meeting shall appoint two (2) persons to act as judges with respect to such vote. The judges shall decide upon the qualifications of voters, shall report the number of votes represented at the meeting and entitled to vote on such question, shall conduct and accept the votes, and when the voting is completed, shall ascertain and report the number of votes respectively for and against the question; however, the number of votes received by each candidate in an election of Trustees need not be reported. Reports of judges shall be in writing and subscribed to and shall be delivered by them to the Secretary of the meeting. Each judge shall certify in writing that he executed faithfully the duties of a judge with strict impartiality and according to the best of his ability. The judges need not be Members of the Association. Any officer or Trustee of the Association may be a judge on any question other than a vote for or against his or her election to any position with the Association or any other question in which he or she may be directly interested.

SECTION 7 **Conduct of the Meeting:**

The order of business at the Election Meeting or at any Special Meetings as far as practicable shall be:

- (a) Calling of the roll and certifying the proxies.
- (b) Proof of notice of meeting and waiver of notice.
- (c) Reading and disposal of any unapproved minutes.
- (d) Appointment of Judges of Election, if appropriate.
- (e) Election of Trustees, if appropriate.
- (f) Receiving reports of officers.
- (g) Receiving reports of committees.
- (h) Old business.
- (i) New business.
- (j) Adjournment.

ARTICLE IV
BOARD OF TRUSTEES

SECTION 1 **Express and Implied Powers and Duties:**

The property, affairs and business of the Association shall be managed by the Board of Trustees, which shall have all those powers granted to it by the Certificate of Incorporation, the Declaration, these Bylaws, and by law.

SECTION 2 **Number and Qualifications:**

The Board of Trustees shall consist of five (5) Members, who are in good standing in the Association. The duties, selection, and term of office of the Board of Trustees shall be regulated by these By-Laws. Should any Home be owned by more than one person or by a partnership,

only one co-owner, member, stockholder or fiduciary from each said Home may serve on the Board at any given time.

SECTION 3 **Method of Election:**

A. Board of Elections: A Board of Elections shall be appointed by the Trustees to be effective April 1st of each year and shall serve for a period of one (1) year. Its function shall be to conduct and supervise the election of the Trustees and required referendums, including the counting of ballots and certification of elections.

The Board of Elections shall consist of five (5) Members of the Association in good standing, each Trustee appointing one (1) Member. This Board shall select a Chairperson, Vice Chairperson, and a Secretary. No member of this Board shall be eligible to run for a Board of Trustees position during his/her term. No member of this Board shall circulate petitions, nor obtain signatures thereon, nor engage in any type of public or private electioneering for any of the candidates for Trustee. Violation of any of these regulations shall be cause for immediate dismissal and replacement by a majority vote of the Trustees.

B. Candidates for Election: A statement signed by the candidate, or Declaration, that he/she is running for office and is a Member in good standing of the Association and meets the membership requirements must be filed with the Board of Elections no later than fifteen (15) business days prior to the election. A candidate shall be automatically disqualified from serving as a Trustee, Finance Committee member or Recreation and Activities Officer, if within the six month period prior to the date of election, the candidate has been an adverse party to litigation with the Association. A candidate shall also be automatically disqualified from serving as a Trustee, Finance Committee member, or Recreation and Activities Officer if he/she has violated the Covenants and Restrictions, By-Laws, or Rules and Regulations of the Association and has not cured such violation at least thirty (30) days in advance of the election. Declarations shall be placed in a locked box in the clubhouse lobby and will remain there until 4:30 p.m. of the deadline closing date. Declarations will be opened by the Board of Elections at 4:30 p.m. on the closing date in full view of those present in the lobby. Candidate names and positions will be announced to those present and Declarations will be posted on the bulletin board until Election Day.

The Board of Elections shall arrange for and conduct a candidate's meeting where the announced candidates for Trustee will have the opportunity to present themselves and their reasons for seeking office to the residents. This meeting shall be held within ten (10) business days after the closing date for the filing of intention to run for office. The Board of Elections shall establish the agenda for this candidate's meeting. Questions for candidates will be pre-screened by the Board of Elections to ensure no personal or derogatory comments are directed to any candidate. All accepted questions will be put into a bowl and at the candidates' meeting, and each candidate will take turns picking a question and will answer that question. No two candidates will answer the same question.

C. The Election: The rules on absentee ballots or proxy ballots as specified in Article II, Section 4 shall be followed in the Election of Trustees and required referendums.

Each candidate may have one observer present at the polling place at all times. If a candidate is unopposed, a single vote shall be cast by the Secretary of the Board of Trustees.

On the day of the election, there shall be no electioneering or campaigning on the clubhouse grounds. Any Member who violates this rule may be subject to a fine or penalty.

SECTION 4 **Time for Elections and Taking Office:**

SECTION 5 **Election to Two or More Vacancies:**

Where there are multiple vacancies to be filled at a regular election, the candidates receiving the highest number of votes shall be elected.

SECTION 6 **Vacancies:**

A vacancy on the Board of Trustees, Finance Committee, or Recreation and Activities Committee shall arise upon the death, resignation, removal, or inability of such Trustee, Finance Committee member, or Recreation and Activities Officer to fulfill their duties. Should a Trustee, Finance Committee member, or Recreation and Activities Officer be absent from three (3) consecutive months of meetings, such absence may be declared by a majority of the remaining members of the Board of Trustees to be a vacancy.

Whenever a vacancy occurs on a Committee, the Board of Trustees shall appoint a new Committee member. Whenever a vacancy occurs on the Board of Trustees, the Board of Trustees shall appoint a new Board member to fill the vacant seat. The appointed Trustee shall serve until the next regular election, at which time it shall be filled in accordance with Article IV.

SECTION 7 **Term of Office:**

A. Trustees:

All Trustees shall be elected to serve a term of two (2) years except for interim elections. The term of each Trustee shall commence on July 1st following the election, except for special elections where the term shall begin immediately upon certification of said election. No Trustee may serve more than two (2) consecutive terms in the same office. A period of at least one (1) year must elapse before he/she can be a candidate for the Board again. The same interval requirements apply thereafter.

B. Committee Members and Officers:

Recreation and Activities Officers shall be appointed by the Board of Trustees to serve a term of two (2) years. Finance Committee members shall be appointed by the Board of Trustees to serve for a term of three (3) years. No Finance Committee member or Recreation and Activities Officer may serve more than two (2) consecutive terms. A period of at least one (1) year must elapse before he/she can be a candidate for the same Committee. All Recreation and Activities Officers and Finance Committee members shall be Owners in good standing.

SECTION 8 **Removal of Trustees or Officers:**

A Trustee, Finance Committee member, or Recreation and Activities Officer may be removed for good cause by a majority of Trustees. By way of example, but not by way of limitation, grounds for removal shall include: non-attendance at three (3) consecutive monthly meetings, violation of the Covenants and Restrictions or By-Laws, violation of the Code of Ethics, interference with or obstruction of the Board's conduct of Association business, violation of the Rules and Regulations, default in payment of annual or special assessments or penalties.

A Trustee, Finance Committee member, or Recreation and Activities Officer may also be removed from office by a majority vote of the Members in good standing in accordance with Article II, Section 3. To establish such a ballot, a petition for removal signed by ninety (90) Members in good standing must be submitted to the Administration Office. Upon the submission of a valid petition for removal, the Trustees shall hold a special meeting to discuss allegations raised by the petition and conduct a vote of the membership for the Association. A special meeting and vote of the membership shall be completed within thirty (30) calendar days of submission of a valid petition to the Administration Office. In the event a Trustee, Finance Committee member, or Recreation and Activities Officer is removed from office pursuant to this Section, he or she shall be disqualified from serving in any office for a period of four (4) years commencing from the date of removal.

Any Trustee, Finance Committee member, or Recreation and Activities Officer subject to removal pursuant to this Section, shall be entitled to be heard on the grievances raised in the petition, prior to a vote by the Trustees and members of the Association.

SECTION 9 **Trustee Meetings:**

Meetings of the Board of Trustees shall be held not less than monthly on dates to be set by a majority of the Trustees. Notice of regular meetings of the Trustees shall be given to each Trustee by telephone, mail, or email at least seven (7) days prior to the day of the meeting. Special meetings of the Trustees may be called by the President on three (3) business days' notice to each Trustee, given by telephone, mail, or email, which notice shall state the time, place, and purpose of the meeting. On written request of at least three (3) Trustees, the President or Secretary shall call a Special Meeting in a like manner and on like notice. Presence of three (3) Trustees shall be considered a quorum. Any Trustee, at any time, may waive notice of any meeting of the Trustees in writing, and such waiver shall be deemed equivalent to the giving of notice. Actual attendance by a Trustee at any meeting of the Trustees shall (1) be an acknowledgment that the Trustee received notice of the meeting and (2) constitute a waiver of notice of the time and place thereof of any follow-up meeting scheduled at said meeting.

If all Trustees are present at any meeting of the Trustees and a future meeting date is established, no notice shall be required of the subsequent meeting set by the Board and any business may be transacted at such meeting. Such action shall not be compromised or settled without the prior written consent of the Association. In the event the owner fails to fulfill the foregoing obligation, then the Board shall have the right, but not the duty, to institute and prosecute such action as attorney-in-fact for the residence owner and at the residence owner's sole cost and expense, including all legal fees incurred. Said cost and expense shall be deemed to constitute a Common Expense lien on the particular residence involved, and collection thereof may be enforced by the Board in the same manner as the Board is entitled to enforce collection of Common Expenses. By acceptance of a deed to any residence, each and every residence owner does thereby automatically and irrevocably name, constitute, appoint, and confirm the Board as his attorney-in-fact for the purpose described in this Section.

The leasing of a Home does not operate to relieve a Landlord of his/her obligation to pay the Home's proportionate share of the common expenses and assessments required by the Association. As security for the performance of a Landlord's continued obligation to pay the Home's proportionate share of common expenses and assessments, all Landlords shall be deemed to have assigned to the Association the rent payable to the Landlord by the Tenant. Said assignment of rent shall, however, only become operative upon a Landlord's failure to timely pay the Landlord's Home's proportionate share of common expenses and assessments, as well as any fines, late fees, attorneys' fees and any other expenses or costs to the Association, after having been given thirty (30) days written notice by the Association as to the Landlord's default. Upon the Landlord's failure to cure said default within said thirty (30) day period, the Association can, without having to institute any court action or proceeding, demand of the Landlord's tenant that the tenant pay over to the Association any and all rent due to the Landlord under the terms of the lease for the Home. Noncompliance by the Tenant shall be grounds for eviction by the Association as attorney-in-fact for the Landlord.

The Landlord shall observe and perform all of its obligations and agreements under the residence lease and shall not do or permit anything to be done to impair the assignment of rents herein, and the Association shall not be obligated by reason of acceptance of this assignment to perform any obligation of the Landlord provided for in the lease. By leasing his/her residence all Landlords agree to indemnify the Association and save it harmless from and against any loss, liability, or damage (including reasonable counsel fees) arising from any claim by any tenant or any other

party arising under or in connection with a lease for his/her residence or the Assignment of Rents under this provision of the Master Deed.

No more than ten (10%) percent of the Homes within the Association may be leased at any given time. The Association will maintain a current list of leased Homes throughout the community. Homes currently rented at the time this Amendment is adopted shall be grandfathered in and shall be approved for leasing until such time as the current Home Owner transfers title to a third party.

All owners of a residence must own and reside in the residence for at least two (2) years prior to renting the residence. If the residence is owned by a company, corporate entity, trustee or similar entity, then at least one (1) owner, shareholder, member, trustee and/or partner of that entity must personally reside in that residence for at least two (2) years prior to that residence being eligible to be rented.

The Board of Trustees is required to grant permission to an owner to lease his/her residence to a specified lessee where the property is transferred to the prior owner's beneficiaries or immediate family upon the owner's death or incapacitation, even if the owner has not resided in the residence for at least two (2) years. In addition, to address special situations and to avoid undue hardship or practical difficulties, the Board of Trustees may grant permission to an owner to lease his/her residence to a specified lessee even if the owner has not resided in the residence for at least two (2) years prior to seeking a Leasing Permit. An owner that seeks a 'hardship/special circumstances' permission must submit a written request to the Association's property manager, which will be granted or denied in the sole discretion of the Association's Board of Trustees.

A Home Owner desiring to lease his or her Home may do so only if the Home Owner has applied for and received from the Association a leasing permit ("Leasing Permit"). Upon issuance of a Leasing Permit, the Home Owner may lease his or her Home (but not less than his or her entire Home) provided that such leasing shall be in strict accordance with the terms and conditions of the Declaration, the By-Laws, and the Association's Rules and Regulations. All Leasing Permits shall be valid only as to the particular Home Owner and Home with respect to which they were issued; Leasing Permits are not transferable between Home Owners or Homes. No Home may be subleased without the Association's prior written consent.

An owner's application for a Leasing Permit shall be approved so long as the owner:

1. Is in Good Standing;
2. Is in compliance with the Association's Declaration, By-Laws and Rules and Regulations;
3. Less than ten (10%) of the Homes in the Association are currently being rented;
4. Has resided in the residence for at least two (2) years prior to seeking to rent the residence; and
5. The proposed lease is provided to the Association and is compliance with Association's Declaration, By-Laws and Rules and Regulations.

If more than ten (10%) percent of the Homes in the Association are rented when this Amendment is adopted, then the Board of Trustees shall not approve any leasing permits (except to accommodate undue hardship or practical difficulties as set forth below) until less than ten (10%) of the Homes

are rented. If ten (10%) percent or more Homes are being leased, then no additional Leasing Permits shall be issued until the number of outstanding Homes being leased falls below ten (10%) percent.

To meet special situations and to avoid undue hardship or practical difficulties, the Board of Trustees may grant permission to a Home Owner to lease his Home even if doing so will cause the Association to exceed the ten (10%) percent leasing cap. A Home Owner that seeks such permission shall submit a written request to the Association's property manager which shall be granted or denied in the sole discretion of the Association's Board of Trustees.

The Association's Board of Trustees acknowledges that it is a fact sensitive issue as to whether a Home is "rented" where a family member or friend of the Owner resides in the Home and where there may not be a written rental agreement. The Association shall deem a Home "rented" for the purposes of these rental restrictions based on the Board's review of the facts and the Board's conclusion shall be binding.

The Association may choose to maintain a waiting list for Leasing Permits and may establish additional procedures and policies for being placed on the waiting list, staying on the waiting list, being notified when a Leasing Permit becomes available, responding to such notice, and any other procedures and policies regarding such waiting list.

Solely for purposes of calculating the number of available Leasing Permits, the number of leased Homes in the Association shall be determined by excluding Homes controlled by the Association or a Mortgagee, which party is either in possession of the Home or is an owner through purchase at a judicial/sheriff sale.

A Leasing Permit shall be automatically revoked without notice upon the occurrence of any of the following:

- i. The sale or transfer of the Home to a third party (excluding sales or transfers to an Owner's spouse, cohabitant or a corporation, partnership, company or other legal entity in which such Owner is a principal);
- ii. The failure of the Home owner to lease the Home within one-hundred eighty (180) days after the date the Leasing Permit is issued; OR
- iii. The failure of the Home owner to enter a lease for the Home during any one-hundred eighty (180) day period after the Leasing Permit is issued. (For example, if a Home is initially leased under a Leasing Permit, but the lease expires; and the Home is not re-leased within 180 days, then the Leasing Permit will automatically expire.)

To cover the Association's costs to maintain and update records regarding occupants and to ensure all leases comply with the Association's governing documents, the Association shall impose a Lease Administration Fee on leased Homes. The Lease Administration Fee shall be \$250.00 per lease and/or lease renewal. The Board may adjust this amount from time to time as it deems fit to ensure the fee is reasonably related to the actual Association's lease management costs.

No residence shall be leased by the owner thereof for transient or hotel purposes (except

lender in possession of such residence following a default in a first mortgage, a foreclosure proceeding or by any deed or other arrangement in lieu of foreclosure), which shall be defined as (i) rental for any period less than one (1) year; or (ii) any rental where the occupants of the residence are provided customary hotel services, such as room service for food and beverages, maid service, furnishing laundry and linen, and bellboy service.

No owner may lease less than an entire residence.

Subject to the foregoing restrictions, the residence owners shall have the right to lease their residences, provided that a lease is in writing and made subject to all provisions of this Declaration, the By-Laws of the Association and other documents referred to herein, provided further that any failure of the lessee to fully comply with the terms and conditions of such documents shall constitute a material default under the lease and be grounds for termination and eviction. The rental restrictions stated above shall not apply to an Owner that is leasing his or her unit at the time that this Amendment is adopted and recorded. An Owner, who is already leasing his/her Unit(s) at the time this Amendment is adopted and recorded, may continue to lease his/her Unit as long as the lease agreement conforms with the previous rules and regulations pertaining to leasing a Unit.

SECTION 4 **Violations of Resident Owner or Lessee Requirements:**

Should a Home be occupied contrary to the requirements of this article or any pertinent passage of these By-Laws, the Association will take whatever steps are necessary to vacate such Home. Should the Association incur expenses for legal action in the pursuit of its objective, then it is the responsibility of the Owner involved to reimburse the Association the amount of any and all attorney's fees and costs incurred by the Association.

The provisions of Article XI, Sections 1, 2, 3 and 4 are not intended in any way to deprive any Owner or Lessee of his/her rights, privileges, and immunities under the Constitution of the United States and the State of New Jersey, and under the laws of said jurisdiction. The intention of this Article and Association is strictly to maintain a Community provided for and meeting the needs of those people fifty-five (55) years of age and older.

SECTION 5 **Megan's Law Restrictions:**

No person required to register with a designated registering agency pursuant to N.J.S.A. 2C:7-3, and who is thereafter determined to be a Tier-3 registrant pursuant to N.J.S.A. 2(C):7-8(c)(3), may permanently or temporarily reside in a Home located in the Association. This Section will not apply to any person who, prior to the date that this amendment is filed with the Clerk of Ocean County: (i) is a Tier-3 Megan's Law Registrant; and (ii) resides at the Association.

If, subsequent to the effective date of this Amendment, a Tier-3 Megan's Law Registrant occupies a Home as a tenant, or under any other possessory interest, the Home Owner must immediately cause the person to vacate the Home and, if the person does not vacate the Home within 30 days of the date the Owner was notified by the Association of the presence of a Tier-3 Megan's Law Registrant, then the Owner will immediately commence eviction proceedings. If the Owner fails to commence the eviction proceeding within 30 days following the date the Owner is required to do so and diligently prosecute the eviction to conclusion, then the Association may act as attorney-in-fact for the Owner and pursue the eviction action at the Owner's cost and expense.

Each Owner, upon adoption of the Amendment to the By-Laws, hereby appoints the Association as the Owner's attorney-in-fact for the purpose of commencing evicting proceedings, executing any and all documents pertaining to the proceedings or performing any or all responsibilities as may be required or necessary to be performed pursuant to this Section. This power of attorney is expressly declared and acknowledged to run with the title of any and all Homes and will be binding upon the heirs, personal representatives, successors and assigns of the Owner.

Any Owner, who by virtue of residing in a Home, has been notified by the Association that they are in violation of this Article, must vacate the Home within 180 days of receipt of the Association's notice. If the Owner fails to vacate the Home within 180 days, the Association may, in addition to all other remedies available to the Association, purchase the Home at a purchase price equal to the average of two independent appraisals to be obtained by the Association, less the Association's anticipated costs of selling the Home, including, without limitation, brokerage fees, of not more than seven percent (7%) of the appraisal value, the cost of the appraisal, the realty transfer tax (based on the appraisal value), and other customary and incidental selling costs not in excess of one percent (1%) of the appraisal value.

The Association will not be liable to any Home Owner, anyone occupying or visiting the Association as the result of the Association's failure to dispossess a Tier-3 Megan's Law Registrant.

ARTICLE X **FISCAL MANAGEMENT**

SECTION 1 **General Common Expense Assessments:**

The Board of Trustees shall have the duty to collect from each Owner, his heirs, administrators, successors, and assigns, as an annual General Common Expense Assessment, that portion of General Common Expenses assessed against such Member as provided in the Declaration and these By-Laws.

SECTION 2 **Annual Budget:**

In carrying out the responsibilities contained in this Article XII, the Board of Trustees shall prepare an annual budget of operating expenses and income and reserves. The Board of Trustees shall allocate each Owner's share of such annual budget in accordance with the manner of allocation described in the Declaration.

SECTION 3 **Determination of Common Expenses:**

The amount of money for Common Expenses deemed necessary by the Board of Trustees and the manner of expenditure thereof, including but not limited to, the allocation thereof, shall be a matter for the sole discretion of the Board of Trustees.

SECTION 4 **Additional Services:**

The Association may furnish, but shall not be required to furnish, additional programs and services if same shall be duly authorized by the Board of Trustees.

SECTION 5 **Disbursements:**

The Board of Trustees shall take and hold the funds as collected and shall disburse same for the purposes and in the manner set forth herein and as required by the Declaration, Certificate of Incorporation, and applicable law.

SECTION 6 **Depositories:**

The depository of the Association shall be such bank or banks as shall be designated from time to time by the Board and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by checks signed by such parties as are authorized by the Board of Trustees, provided that a management agreement may include among its provisions authority for the manager to sign checks on behalf of the Association for payment of the obligations of the Association if the proper fidelity bond is furnished to the Association.

SECTION 7 **Accounts:**

The receipts and expenditures of the Association shall be common charges and Common Expenses respectively, and shall be credited and charged to accounts under the following classifications as the Board shall deem appropriate:

- a. Current expenses, which shall include all expenditures within the year for which the budget is made, including reasonable allowances for contingencies. Current expenses shall not include expenditures chargeable to reserves, or to working capital, or to additional improvement, or to operations. At the end of the year, the unexpended amount remaining in the account may be distributed to the Members as the Board of Trustees shall determine.
- b. Reserve for deferred maintenance, which shall include funds for maintenance items that occur less frequently than annually.
- c. Reserve for replacement, which shall include funds which are required because of damage, depreciation or obsolescence: the amounts in this account shall be allocated among each of the separate categories of replacement items.
- d. Reserve for capital improvements, which shall include funds to be used for capital expenditures or for the acquisition of additional personal property.
- e. Operations, which shall include all funds from the use of the Common Property or from any other sources. Only the additional direct expense required by any revenue producing operation will be charged to this account. At the end of each year, any unexpended amount remaining in this account shall be applied to reduce the assessments for current expenses for the succeeding year or may be distributed to the Owners to the extent that the Board of Trustees shall determine. In either event, any such expenses shall be allocated to the same Beneficial Members and in the same manner as the relevant common expenses were assessed. Losses from the operations or otherwise shall be met by levying special assessments against the Members, which assessments may be made in advance in order to provide a working fund.

SECTION 8 **Reserves:**

The Board of Trustees shall not be obligated to expend all of the revenues collected in any accounting period, and must maintain reasonable reserves for, among other things, repairs, replacements, emergencies, contingencies of bad weather or uncollected accounts. Despite anything herein to the contrary, the Board of Trustees in its determination of the Common Expenses and the preparation of a budget shall specifically designate and identify that portion of the Common Expenses which is to be assessed against the Members as a capital contribution and is to be allocated to reserves for each separate item of capital improvement of and to said Common Property. The amounts assessed and collected for the reserves shall be kept in one or more interest-bearing savings accounts or certificates of deposit, and shall not be utilized for any other purpose other than that which was contemplated at the time of assessment. The foregoing shall not be construed to mean that the Board of Trustees shall not be permitted to keep additional cash on hand, in a checking or petty cash account, for the necessary discharge of its functions.

SECTION 9 **Creation of Lien and Personal Obligation of Assessments:**

Each owner of a Home, by acceptance of a deed therefore, whether or not it is so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association: 1) the annual assessment or charges payable monthly on or before the first of each month or as determined by the Board of Trustees; 2) special assessments; and 3) any penalties imposed under the Governing Documents of the Association.

The annual assessments, special assessments or penalties, together with such interest thereon and the cost of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment or penalty is made. Each such assessment, together with such interest thereon or penalty and cost of collection thereof, as hereinafter provided shall also be the personal obligation of the person(s) who were the owner(s) of such Home at the time the assessment or penalty became due.

SECTION 10 **Purpose of Assessment:**

The assessments levied by the Association shall be used exclusively for the purpose of providing services, promoting the recreation, safety, and welfare of the members and, in particular, for the improvement and maintenance of the common properties and facilities and the exteriors of Homes as set forth in Article III, Section 9, Duties of Trustees and in the rules and regulations of the Association, and, for the purpose of providing services and facilities devoted and related to the use and enjoyment of the common properties and facilities.

SECTION 11 **Basis of Annual Assessments:**

If the Board of Trustees determines that the existing annual assessment rate exceeds or does not meet the demands of operation and maintenance of the Common Properties, Facilities and exteriors of the Homes, a new rate may be set by the Board, and the members of the Association shall upon notice of same and the reasons therefore, be subject to payment of the new rate.

SECTION 12 **Special Assessments:**

In addition to the annual assessment as outlined in Section 9 hereof, the Board may levy, in any assessment year, a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Land, including the necessary furniture, fixtures, equipment and other personal property related thereto, or for other unexpected maintenance obligations or for any other lawful purposes, provided that any such special assessment shall be apportioned in the same manner as a regular assessment and shall receive the assent of two-thirds (2/3) of the Board members at an open Board of Trustee meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and which notice shall set forth the purpose of the meeting. The due date(s) of any special assessment, or any installment(s) thereof, shall be fixed in the resolution authorizing such special assessment.

SECTION 13 **Notice:**

The Board of Trustees shall give to each Member written notice of the amount estimated by the Board of Trustees for the annual Common Expense assessment or any other assessment for each such Member. Such notice shall be conclusively presumed to have been delivered five (5) days after deposit in the United States mails. If the annual Common Expense assessment is not revised from the previous year, or is not made as required, an assessment shall be presumed to have been made in the amount equal to the last prior year's assessment; and monthly installments on such assessment shall be due upon each installment payment date until changed by an amended assessment. In the event the annual Common Expense assessment proves to be insufficient, the budget and assessments may be amended at any time by the Board of Trustees subject to the provisions herein, provided that nothing herein shall serve to prohibit or prevent the Board of Trustees from imposing an Emergency Assessment in the case of any immediate need or emergency which cannot be met by reserve funds earmarked for such contingency.

SECTION 14 **Acceleration of Assessment Installment upon Default:**

If a Member shall be in default in the payment of an installment of any type of assessment, the Board may notify such delinquent Member that the remaining installments of the assessment for the current budget year shall be accelerated if the delinquent installment has not been paid by a date stated in the notice, which date shall be not less than five (5) days after delivery of the notice to such Member, or not less than ten (10) days after the mailing of such notice to him by registered or certified mail. If such notice is given and default shall continue for a period of thirty (30) days, the Board shall be required to accelerate the remaining installments of the assessment and notify the delinquent Member that the lien for the accelerated amount shall be filed on a date certain stated in the notice if the accelerated balance has not then been paid. The lien for such accelerated assessment as permitted by law shall then be filed if the delinquent assessment has not been theretofore paid. The Board may also notify any permitted Mortgage Holder holding any mortgage encumbering the Home affected by such default. If the default continues for a period of ninety (90) days, the Board may foreclose the foregoing lien pursuant to law, or commence a suit against the appropriate parties to collect the assessment, or both.

SECTION 15 **Interest and Counsel Fees:**

The Board of Trustees, at its option, shall have the right in connection with the collection of any Common Expense assessment or other charge to impose a late charge of any reasonable amount and interest not to exceed the maximum rate permitted by law for delinquent real estate taxes or both. In the event that the Board of Trustees shall effectuate collection of assessments or charges by resort to counsel or the filing of a lien, or both, the Board of Trustees may add to the aforesaid assessments or charges as counsel fees: (i) such a sum as the Court may deem reasonable and appropriate; (ii) the reasonable costs for the preparation, filing and discharge of the lien; and (iii) such other costs as may be permitted by law. All assessments are due on the first day of each month and shall be deemed late and subject to penalty if not paid by the tenth day of the month.

ARTICLE XI
EASEMENTS

SECTION 1 **Locations:**

The Association shall have an easement upon the land of the Owner of each Home for the purpose as may be required to carry out the provision of the By-Laws, Rules and Regulations, and the Declaration of Covenants and Restrictions.

ARTICLE XII
SUSPENSION OF VOTING RIGHTS

SECTION 1 **Members in Default:**

The membership rights of any Member, including voting rights as defined in Article II, may be suspended by the Board for any period during which any Common Expense Assessment, Special Assessment, late fees, fines, attorney's fees, or other charge against his Home remains unpaid; but upon payment of such arrears, whether by check or cash, his rights and privileges shall be immediately and automatically restored. Further, the Board may suspend the rights and privileges of any person in violation of the Governing Documents, including the Rules and Regulations, for a period not to exceed thirty (30) days for any single violation, but if the violation is of a continuing nature such rights and privileges may be suspended indefinitely until the violation is abated. This suspension in no way relieves said Member of any obligations and duties as set forth in the other provisions of these By-Laws, the Rules and Regulations, or the Declaration. The Board shall take no action until the Member is offered an opportunity for a hearing consistent with the principles of due process of law.

ARTICLE XIII
LIMITATION/DISCLAIMER OF ASSOCIATION LIABILITY

SECTION 1 **Limitation of Liability:**

Pursuant to the applicable provisions of the New Jersey State law as it currently exists and as amended from time to time, now or in the future, and more particularly, Public Law 1989, Chapter 9, approved January 30, 1989, N.J.S.A. 46:8B-1, et seq., 2A:62A-14, or any other applicable provision of New Jersey law, the Association, its Trustees, its agents, nor any subdivision thereof shall not be liable in any civil action or any action, that may be brought,

instituted or otherwise commenced by or on behalf of a member of the Association or Owner of property which is part of the Community, whether owned by the Association or not, or Owner of a Home or that person's spouse or cohabitant or any other applicable definition of an Owner in the statutory language or any visitor or Guest of the property or Lessee/Tenant that may be instituted for damages resulting from bodily injury to the Member, Owner, Owner's spouse, cohabitant of the Owner, or Lessee/Tenant, occurring on the property of the Association or within the Community. Provided, however, that the Association cannot limit its liability for willful, wanton or grossly negligent acts of commission or omission on the part of the Association or its Trustees or any subdivision thereof or any agents thereof as required by the applicable provision of New Jersey law. If any provision of this section shall be declared invalid it shall not invalidate the entire article of the By-Law.

This is not an indemnification by the Association to any member of the Association or owner of property of the Association who shall be adjudicated by a court of law as liable for damages arising from any such action for bodily injury.

SECTION 2 **Miscellaneous: Indemnification of Officers, Trustees, Employees, Volunteers, Staff Members, and Committee Persons – Past and Present**

The Association shall indemnify with an adequate insurance policy every officer, Trustee, employee, volunteer, staff member, and committee person, past and present, their heirs, executors, and administrators against all loss, costs, and expenses, including counsel fees, reasonably incurred by them in connection with any action, suit, or proceeding to which they may be made a part by reason of their being or having held such position in the Association except as to matters as to which they shall be finally adjudged in such action, suit, or proceedings to be liable for gross negligence or willful misconduct. In the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified had not been guilty of gross negligence or willful misconduct in the performance of their duty in such office or position in relation to the matter involved. The foregoing rights shall not be exclusive of other rights to which such officer, Trustee, employee, volunteer, staff member or committee person past and present may be entitled.

All liability, loss, damage, cost, and expenses incurred or suffered by the Association by reason of or arising out of, or in connection with the foregoing indemnification provision shall be treated by the Association as common expenses, provided, however, that nothing in this Article contained shall be deemed to obligate the Association to indemnify any owner of a Home, who is or has been an officer, Trustee, employee, volunteer, staff member, or committee person, past and present of the Association, with respect to any duties or obligations assumed or liabilities incurred by them under and by virtue of their membership in the Association or as an owner of a Home. The Board of Trustees is authorized to secure Directors and Officers Liability Insurance covering all officers, Trustees, employees, volunteers, staff members, and committee persons, past and present.

SECTION 3 **Reimbursement by Members:**

Each Member and/or Owner shall be obligated to reimburse the Association for any expenses incurred by it in repairing or replacing any part or parts of the Common Property damaged by his

' negligence or by the negligence of his residents, guests, or tenants within one (1) month of the receipt of the Association's statement thereof.

SECTION 4 **Non-transferability of Membership:**

Membership in the Association is non-transferable and ceases upon the sale of a Home and any attempt to transfer shall be null and void.

ARTICLE XIV
AMENDMENTS AND CONFLICTS

SECTION 1 **Amendments to these By-Laws:**

These By-Laws may be altered, repealed, or amended or new By-Laws may be adapted at any time after the date hereof by a majority vote by members in good standing once quorum is attained at any meeting of the members established for such purpose where previous written notice shall have been provided to each member.

SECTION 2 **Prohibited Amendments, Alterations, Repeals:**

Despite the foregoing, the membership provisions may not be changed or altered in any manner, and the obligation or the proportionate responsibility for the payment of Common Expenses or the exemption therefrom may not be changed by reason of any such amendment or repeal.

There shall be no amendment or change made to these approved By-Laws which would affect zoning, site plan consideration, or any other item which is within the jurisdiction or right of review by the Brick Township Planning Board or any other municipal agency without first obtaining approval, in writing, by said Planning Board or any other municipal agency.

SECTION 3 **Recording:**

No amendment, repeal, or new By-Law shall be effective until it has been recorded in the Office of the Ocean County Clerk.
